BIONUTRIENT  
FOOD ASSOCIATION

bionutrient.org

Our mission is to increase the quality of our food by creating a collaborative community of growers and consumers through education, mutual support, and empowerment.

**Healthy Soil = Healthy Plants = Healthy People**

September Meeting:

Sunday, 9/18, 3:00 to 4:30pm David and Priscilla Queen's  
7520 East Cherry Creek Rd, Franktown, 80116

*Shawna Marble, B.S. Soil & Crop Science, will walk us through a Logan Labs soil report and share how we can improve mineral content and soil health in our own gardens. Visit the garden and historic property.*

***Bring a dish to share for a potluck supper + conversation!***

Shady Springs Ranch  
David & Priscilla Queen

7520 East Cherry Creek Road Franktown  
303-688-4065

Directions

From intersection of Hwy. 83 and Hwy. 86, go south on 83. Take the first left onto Russellville Rd. Continue south for about 8 miles. You will pass Anderson Rd. and Heidemann Rd., then you will cross over a small bridge and up a small hill and then you will see East Cherry Creek Rd. on the left. (\*) Continue south for almost 2 miles. The road makes a 90 degree curve to the left and then a 90 degree curve to the right. Our driveway is on that second curve. There are two big black mailboxes on the left. Turn left and come straight across the cattle guard. The driveway is more than 1/2 mile long and will bring you right up to the house.

From Lake Gulch Rd, go south on 83, turn left onto Russellville Rd and go north, a mile or so. Turn right onto East Cherry Creek Rd and follow directions from (\*), above, to our driveway.
